GRASS-FED, NATURAL NEW ZEALAND ANGUS BEEF

Silver Fern Farms recently launched its Certified Angus programme – a partnership with Certified Angus breeders and suppliers.

As part of the Beef Backbone[®] Partnerships, the programme is aimed at adding value to both farmer and market partners' businesses.

Qualifying cattle must be:

- Minimum 75% Angus
- Premium steer/heifer 270kg – 370kg
- pH up to and including 5.8
- No hormone growth promotants
- Dentition up to four teeth.

Prospective suppliers to the programme should contact their local Silver Fern Farms Livestock Representative, or our supplier services team at **0800 362 362**.
